

88 Key Music Keyboard (Folding version)

SKU:

EAN:

FEATUES

- Heavy hammer keyboard, piano feel
Optimize the structure of the heavy hammer striking the strings, with a good hand feel and sensitive sensing. The 88 keys are gradually balanced compared to a grand piano. Chip upgrade, powerful performance 1:1 restoration of piano sound source
- Full range standard weighted piano keys
Standard piano key program, restoring piano key depth, can correctly exercise finger strength, using piano key structure, restoring piano feel.
- Supports headphone mode, silent practice to play freely, multifunctional interfaces/buttons, rich borrowing and wide compatibility, allowing you to easily perform complex movements
- Software playback, intelligent tracks, high fidelity stereo sound effects, using stereo surround sound effects, resulting in more delicate and moving piano sound quality performance

SPECIFICATION
