

EC134 Dual Earphone USB Headset with Microphone

SKU: 0110134

EAN:

FEATUES

The Edis EC134 Ultra Noise-Cancelling Technology: Filters out all unwanted background noise for crystal-clear conversations. Dual-hinge ear cups with acoustic foam ear pads with soft leatherette cover for long-lasting user comfort. Hinge ear cups adjust horizontally and vertically to ensure the most comfortable and best hearing. Stainless Steel Bendable Boom Arm ensures that your microphone stays in the perfect position and rotates 360 degrees to be worn comfortably on left or right. In-Line Call Control Unit to answer or end your calls, control the volume, mute your mic directly from your headset.
