## FEATUES

The Edis EH18 Kids Animal Headphones 85dB Volume Limited for Hearing Protection. Adjustable Steel Headband with Soft Silicone Covered. Comfortable Noise Reduction Silicone Ear Cushion. Built-In Microphone & Universal Compatibility. Detachable Kit & Easy to Replace DIY Patterns. Creative panda shape makes it more unique and interesting to wear. The size of the stainless steel headband + built-in card slot can be adjusted at will to cope with various head sizes. Universal compatibility standard 3.5mm audio jack for easy use. Built-in microphone for hands-free calls. A simple tap can play or pause music, answer or hang up a call. Anti-violence design, using adjustable stainless steel headband, bending, stretching, fall resistant and durable, designed for children rough use. With hearing protection, the volume is limited to 85 decibels to protect children's hearing. The DIY pattern can be changed, and the paper card with cartoon pattern is given as a gift. With the detachable silicone ring and transparent cover, the pattern that the child likes can be changed easily, making it more unique and interesting.
