

EH215 Headset

SKU: 0110215

EAN:

FEATUES

● Accurate sound field positioning

Specially customized for your ears, 40mm high fidelity driver unit, omnidirectional microphone

● 40mm high fidelity drive unit

With a highly responsive audio driver unit, you can more clearly identify the direction of the sound source.

Compatible with PC, laptop XboxOne、PS4 Pro、PS5Nintendo3DS、PSP、Tablets, mobile phones, etc.

High sensitivity microphone, 120 degree rotatable noise cancelling microphone. Efficient communication in all directions.

● Cortical ear pads

The ear pads are wrapped in leather, ensuring a soft touch even after prolonged use. Featuring a self regulating and comfortable structural design, it is suitable for long-term wear. Anti violence cables, after tens of thousands of pressure tests, can withstand 5 times the tensile strength of traditional wires.

SPECIFICATION

MICROPHONE

Size	6MMx2.7MM
Sensitivity	-36dB±3dB
Directivity	Omni-directional
Impedance	2.2KΩ

SPEAKER

Diameter	Φ40MM
Frequency Response	20-20000Hz
Impedance	32Ω+15%
Sensitivit	110±3dB
Wire Length	USB Separation Cable (PVC) 1.45m Black 1.8 meters, 3.5 knots, black head
LED	no
Working Voltage	DC 5V
Working Current	≤100MA
