

# LCD Monitor

SKU: 0200166

EAN:

## FEATUES

The Edis LCD Monitor Stylish look with narrow bezel High quality video, high-definition resolution with a new generation of chipsets. Suppresses noise and flicker, accurately presents HD pictures. Narrow bezel edge enhances professional looks. Seamlessly blending TV and wireless content extension, provides really great images and increases viewer immersion. Clearer definition of light and dark scenes with the 4K picture, high dynamic range image technology improves contrast levels and presents a higher dynamic range of brightness. The color gamut is wider. All-weather multi-scene applications, big screen in the living room to watch movies and football games, big screen to play games with more sense, office/conference screen casting magic device, classroom speech display, KTV, hotels, etc.
