

Luminous LED Bubble Wide Wristband

SKU:

EAN:

FEATUES

- The colorful lights change, and the wide band design adds a premium look. The screw fastening provides a secure, drop-resistant design and is made from environmentally friendly materials.
- The bracelet's interior utilizes bubble injection molding for a beautiful luminous effect. It's suitable for use as a decorative light at bars, concerts, dances, as a prop, or as a night jogging bracelet.
